'Plus Expenses'

All prices excl 40p / mile fuel, accommodation and, where not otherwise provided, sustenance for required overnight stays. Overnight stays may be required where the drive from or to the event is more than 2.5hours from previous / next job or park up.

'Site Survey Policy'

Site surveys are £250 in 'South East uk' or £350 for further afield providing return to South East is within 24 hours. If we have worked a location before there is usually no need for site survey, and if client believes there to be line of sight and opts out of a site survey then the booked day of transmission is non-refundable.

As standard these prices do not include archives and 'hardcopy' of the productions. POA

For Production Services NOT requiring live contribution feeds POA

First time clients pay full fee in advance. Discounts and credit will apply with growing number of completed events.
